

# Health and Social Care

[Pearsons Btec]  
[Level 1/2 Tech Award ]

## What is the Course about?

**Learners study and explore practically, health and social care services and how they meet the needs of real service users. They also develop skills in applying care values.**

# What will students learn?

You will learn about a variety of key subject areas, such as equality, diversity and rights in health and social care, human growth and development through the life span and the role and responsibilities of the health and social care practitioner in relation to safeguarding individuals.

# How will I be assessed?

The Pearson BTEC Level 1/Level 2 Tech Award in Health and Social Care has:

- Total Qualification Time: 150 hours
- Guided Learning Hours: 120 hours.

Centres should take note of these hours in planning their programme but should also use their professional judgement to determine the provision of guided learning and study time across the components.

## Components

Learners are required to complete and achieve all three components in the qualification.

Pearson BTEC Level 1/Level 2 Tech Award in Health and Social Care				
Component number	Component title	GLH	Level	How assessed
1	Human Lifespan Development	36	1/2	Internal
2	Health and Social Care Services and Values	36	1/2	Internal
3	Health and Wellbeing	48	1/2	External Synoptic

The three components focus on the assessment of applied knowledge and practices. These are all essential to developing a basis for progression and therefore learners need to achieve all components in order to achieve the qualification.

# Where could this course take me in the future?

You might work in hospitals, clinics, health units, community settings and midwifery units alongside other healthcare professionals including GPs, health visitors and social workers.
